E ngā mātua, e ngā kaiitiaki hoki o ngā tauira ki te kura tuarua o Pātiki

The high achievement and pastoral care of our Māori students is very important to us. We would like to invite you to a hui where we can discuss the needs of our Maori students and support you to support your children to reach their potential.

The topics we will be covering include:

-  Identifying the support systems and people who are here to support you and your child.
-  Explain the Avondale College processes which will assist your child in being part of a safe and effective community.
-  An opportunity to meet other parents and become part of the Avondale Whanau.
-  Listen to students and parents talk of their experiences and give advice.
-  Important events for you to attend in 2011.
-  How can you help your child to achieve to their potential?
-  The role of the whanau at Avondale College.
-  Identify how you think Avondale College can assist you and your child.

We hope to answer any questions you have for us. This is a great opportunity to start building a positive relationship with you and Avondale College for the next four or five years. I look forward to meeting you.
