

## BRING YOUR OWN DEVICE (BYOD) AT AVONDALE COLLEGE

These specifications are our recommended *minimum specifications* that will be suitable for all students and subjects:

A laptop with Windows 11 or higher (Touch or Non-Touch)

*Note: Touch devices do enable additional features but are often much more expensive to repair and less durable.*

At least 12" (30cm) screen size

Wireless connectivity (WiFiAC or WiFi6)

8-hour battery life (minimum 40 Wh battery)

Preferably light and robust

8GB of RAM minimum

256GB of storage (SSD preferred over HDD, avoid eMMC)

If your student is passionate about subjects such as Technology, Media Studies, Art or Music, you may want to consider these additional specifications:

16GB+ of RAM

Intel Gen 14 Processor (or AMD equivalent - Ryzen 5 or Ryzen 7)

Dedicated GPU

Avondale College has worked directly with PB Tech to offer suitable devices at a competitive price, available at: <https://www.pbtech.co.nz/education/byod/avondale-college>

Staff at the local St Lukes PB Tech store have been trained to help Avondale College families with choosing the right device and answering any questions.
