Kohia Ngā Taikākā

This whakatauaiki¹ is our school motto and describes the gathering of inner strength in learning and striving towards successful futures in life. Our motto describes the gathering of strength metaphorically in gathering the heartwood or the most prized and strongest part of timber and was first spoken by chief Kiwi Tāmaki of Te Waiohūa iwi as he called for the gathering of loyalties "E kohia ngā taikākā totara" and likened to the strength of the totara tree.

Mission Statement

In a caring and positive environment Avondale College will provide an education which enables all students to achieve personal standards of excellence in academic work as well as in the supporting areas of physical, cultural and social development.

Avondale College is a large, suburban, co-educational, state secondary school, located on the Whau estuary and in the region of Pātiki, the rohe of iwi Te Kawerau ā Maki.

The College is located in central/ west Auckland, in one of Auckland's older suburbs, where many long-established homes and businesses give the area a sense of identity. The area is going through a phase of rapid demographic change with the development of Auckland. One of three schools on adjoining sites, Avondale College is fortunate in having its own spacious and attractively landscaped grounds and courtyards.

Avondale College students consistently achieve excellent academic results, across all areas of the school. Our curriculum has strong learning pathways with flexible, innovative courses, providing relevant opportunities for all. As well as the NCEA curriculum we offer Cambridge International qualifications, providing an alternative pathway to top universities and career opportunities, both in New Zealand and overseas.

Avondale College has state-of-the-art buildings and facilities. As a result of a major rebuild, our learning spaces are purpose built, modern and connected to our world class IT network. Our students benefit from well-appointed classrooms, as well as specialist technology, performing arts, science and sports buildings, all within expansive, landscaped surroundings.

The College's facilities include the Avondale College Performing Arts Centre, a sports stadium offering squash courts and gymnasium seating up to 1,000, a new all-weather playing surface for netball and tennis, a fully equipped recording studio, two purpose built dance studios, a library offering extensive computer and printed resources, and an open air theatre. It also has an artificial turf and pavilion. The facilities are open to the community and are well used by a variety of groups.

Specialised teaching facilities include a Whare Wānanga, a vibrant Fine Arts Department, the Ferguson Building housing state-of-the-art technology equipment, an industry level school ICT network and a Performing Arts Department that enjoys a reputation as one of the best in New Zealand. The College has a dedicated International Student Department, responsible for the pastoral care of our students who arrive from all corners of the globe.

A unique feature of the school is its Taurewa outdoor education programme run near National Park in the Central North Island and situated in the rohe of Ngāti Hikairo ki Tongariro.

The school also has a community Childcare Centre on site. The centre is overseen by the School Board, and the Business Manager is Licensee.
